**STATEMENT OF ISSUES AND DESIGNATION OF RECORD ON APPEAL BY
 SPRINT NEXTEL CORPORATION WITH RESPECT TO APPEAL OF THE
 FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER CONFIRMING
 DEBTORS' SECOND AMENDED JOINT PLAN OF REORGANIZATION**

¹ The Debtors in these Chapter 11 cases, together with the last four digits of each Debtor's federal tax identification number, are: DBSD North America, Inc. (6404); 3421554 Canada Inc. (6404); DBSD Satellite Management, LLC (3242); DBSD Satellite North America Limited (6400); DBSD Satellite Services G.P. (0437); DBSD Satellite Services Limited (8189); DBSD Services Limited (0168); New DBSD Satellite Services G.P. (4044); and SSG UK Limited (6399). The service address for each of the Debtors is 11700 Plaza America Drive, Suite 1010, Reston, Virginia 20190.

In accordance with Rule 8006 of the Federal Rules of Bankruptcy Procedure, Sprint Nextel Corporation (“Sprint”) hereby submits the following statement of issues to be presented and designation of record items to be included in the record on appeal to the United States District Court for the Southern District of New York in connection with the Notice of Appeal filed by Sprint on November 24, 2009 with respect to the Findings of Fact, Conclusions of Law, and Order Confirming Debtors’ Second Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the United States Code entered on November 23, 2009 (Docket No. 547).

STATEMENT OF ISSUES ON APPEAL

1. Did the Bankruptcy Court err in confirming the Debtors’ Second Amended Joint Plan of Reorganization (the “Plan”) by determining that the Plan satisfied the requirements of 11 U.S.C. 1129(b)(2)(B), also known as the absolute priority rule?

2. Did the Bankruptcy Court apply the correct legal standard when valuing the Debtors’ business?

3. Did the Bankruptcy Court err by finding that the Debtors demonstrated, by the applicable burden of proof, that the value of the reorganized Debtors’ business was less than the amount of the Debtors’ secured debt where the valuation opinion relied upon by the Debtors provided an opinion of the value of the Debtors’ business as of the filing of the bankruptcy case, and there were significant market changes between the time that the bankruptcy case was filed and the date of the confirmation hearing?

4. Did the Bankruptcy Court err by refusing to allow the parties to have access to and excluding from evidence, while at the same time relying on, certain evidence regarding the value of the Debtors’ estates and assets, including evidence concerning proposals for strategic transactions received by the Debtors shortly before and perhaps during the confirmation hearing and the value of those proposals?

DESIGNATION OF ITEMS TO BE INCLUDED IN THE RECORD ON APPEAL**A. Items Contained In The Bankruptcy Court Docket.²**

Date	Docket Number	Description
11/23/2009	547	Findings of Fact, Conclusions of Law, and Order Confirming Debtors' Second Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the United States Code
